

Cry Havoc site map

1. Please be mindful and keep your speed and noise to a minimum when entering the site, as you come through a residential area.
2. When entering the site follow the orange route to the IC area or the pink route to the OOC camping and Crew camping area.
3. After set up all cars should be parked in the main parking area which is next to the OOC camping.
4. However, if you arrive after time-in (7pm on Friday) or will have to leave the site before the event ends (4pm on Sunday), then please park in the Temp parking area which is located immediately on the left as you enter the site.
5. Go to registration in the Black swan tavern after setup.

Site rules

1. Noise levels at all times are restricted to talking levels in the area near the Food Barn and Toilets, due to its proximity to residents.
2. Noise levels should be reduced to talking levels by 10pm each evening in other areas of the site.
3. All rubbish should be taken home with you, ask for a bin bag if required. No littering on site.
4. Any open fires should be of a sensible size and must be raised off the ground. No naked flames are permitted in any buildings.
5. Water is available from a number of standpipes.
